

## GREENWICH & DISTRICT LOCAL COMMITTEE

### MAY NEWSLETTER

What a fabulous afternoon with Gardening Experts Jim Buttress, Andrew Babicz and Steven Edney on 21st April. Our Gardeners' Questions were excellent and helpfully answered by the panel. Jim has very kindly offered to host another "Gardeners Questions" next year, probably in the early Autumn, so please come along and join us.

Our next event is our **Wineman's Bluff on Saturday 12th May**. Do you think you know your wines or do you just like to sample them? Whichever group you fall into, come along and see if you can spot who amongst our 3 "experts" is the bluffer and who is telling the truth. We can promise you a most entertaining evening. The tasting will amount to about a glass of wine to drink, if worried about driving the B16 stops near the church hall. Let me know if you cannot make up a team and we'll see if we can join you with another team.
