

## GREENWICH & DISTRICT LOCAL COMMITTEE

### AUTUMN NEWSLETTER

Thank you to Eltham Bowls Club for holding a charity day and raising £600 for Cancer Research UK - another fun event making money.

Our thanks also to Denis Motors in Westmount Road, their customers have generously donated £290.62 for the delicious cakes made by friends and relatives. If you like making cakes, would you make a batch or two for them?

We have had to postpone our Antiques Valuation Day but hope to hold it in early Spring.

#### **VICTORIA TO BATTERSEA WALK - TAKE 2 !!!**

Saturday 22nd October, 10.30-4pm

Due to the train strike we decided to postpone the Battersea Walk and instead take a walk round the back of Eltham Palace, through the Tarn, Fairy Hill Park and Avery Hill Park. The Battersea Walk is now rearranged for 22nd October (and fingers crossed no strike)

A gentle walk starting at Victoria Railway Station and going through Battersea Park, where we will have lunch and then on to Battersea Power Station to look at all the development there.

You can either walk back to Victoria Station from there or catch an Uber/Thames Clipper boat back to Greenwich.

There is a nice cafe in Battersea Park, the Ivy Tree, for lunch or you can bring a picnic.

£5 per person but please let me know if you are coming so that we can make sure everyone is there before we leave Victoria Station.

#### **QUIZ**

Friday 11th November, 6.30-9.30pm
